- Docia announced voting for new TAB officers will be in May. A new TAB secretary is needed immediately. Lori Hill volunteered to be interim secretary, and Dirk Beatty will be interim vice president until May.
- Ideas for fundraisers were to rent a booth at the Cecil County Fair and volunteer/work at Blue Rocks or Iron Birds game. Need a unique activity or something to sell at the Fair. A booth at the Fair is somewhat expensive and Docia will look into the cost.
- Recruit for TAB members – one idea was to distribute information at the middle schools' Information Night events.
- Docia reminded everyone that money from fundraisers is to be given to TAB and NOT the school.
- Docia informed the group that any athletic equipment purchased at a cost of over \$1000 automatically belongs to the school. An example was the new pitching mound.
- Docia reminded the group that TAB contributes money for end of season parties for athletic teams.
- Docia reminded the coaches and parent representatives to make sure to fill out the TAB Financial Assistance Request Form found on the TAB website for each financial request. This form must be submitted to TAB (not the school) in advance.
