TOPIC'S OF DISCUSSION:

FIRST AND FOREMOST....THANK YOU TO THE NEW FACES AT THE MEETING!!!

- Treasurer's Report – Bank balance as of 5/19/08 \$10,428.72
  - Pending Balance as of 6/25/08 \$8,034.74
- Grappling Tournament: Basically we lost money during this event. We will have to rethink doing concessions for this if asked in the future. Not a good turn out.
- Football Camp: Did not occur. Great idea and would be great fundraiser will look into this for the near future.
- Baseball Camp: Mr. Blankenship has expressed an interest in doing a camp for baseball. Mr. Blankenship also wrote a letter to the TAB that Docia read. It was requests for equipment and new uniforms. He said JV can get the Varsity jerseys and they would then just need new pants. Approx cost on jerseys is \$1,200 and pants approx \$1,000.00 The equipment they are looking into would benefit baseball as well as softball during winter months and it is an indoor pitching mound. Cost for this is around \$4,000 - \$5,000. They would do a fundraiser.
- 5K run for next spring is also an option. This needs to be organized early. It takes at least a 6 month notice for the people to set it up for us. We need to determine whether we are going to do this and when. Who will chair this and call the people.
- Football: 7 on 7 football tournament. A check was already sent although Coach Vaughn is re-thinking his participation. Dirk Beatty will check with Coach Vaughn on this.
- Sprit Wear – Open house is coming and we need to re-order some stuff. Lisa Quinn did an inventory of what we have now. The popular sweatshirts and sweatpants will be re-ordered and talk of new shorts.
- Fundraisers: Kenny Scott was mentioning a Lottery Fundraiser. He will look into this more with the details and get back to us about it.
- Football Raffle 50/50: Martt suggested doing a “sponsored” football raffle where a company donates a \$100 then the person that wins automatically gets \$100 and 50% of the winnings. The raffle will be announced continuously with the sponsor's name.
- Football Program: Martt Lukk is the Chairman on this for us this year!! Yeah Martt!! He already has a mock program ready. All members were asked to get as many ads a possible by the next meeting (7/23/08). We are really trying to get this together well in advance. Holly and Kenny Scott offered to sell programs at the games. Some really

good ideas were brought up to help encourage sales by offering changing/updated information in each games program. Docia will e-mail new form out to everyone for you to get their ad information. SELL SELL SELL THOSE ADS!!! Schedules of the RSHS fall sports will also be included in the program.

- Concessions: Need Volunteers!! Also need to find out when the “parent” meetings are so that we can have representative from the TAB go and recruit volunteers. Dirk Beatty agreed to go to the parent meetings. If we could all share the “burden” it would be easier. We need to discuss what’s on the menu. We need to schedule a “clean-up” at the concession stand to scrub it out.
