Lisa Osborne	Mike Miller	Joe McCullin	Dave Blankenship	Sharon Davenport
Sue Willert	Maryanne Snyder			

TREASURER'S REPORT:

- Ron gave the Treasurer's report stating the following:
 - Bank balance as of 10/5/09 is \$16,017.71
 - Pending balance as of 10/5/09 is \$8,463.50.
 - Last year (08-09) TAB raised \$54,000
- Ron asked that any requests be sent to him via e-mail and to give him ample time to respond.

OLD BUSINESS

- Concessions – Week of 10/20 is Boys and Girls Soccer Senior nights. Oct. 21st is the spaghetti dinner and Oct. 23rd is Homecoming. This is a great way for Boosters to make some extra money. Both Senior night and the spaghetti dinner are from 5:30pm – 7:00pm.
-
- Girls Soccer – requesting warm-ups. TAB will not be helping to fund the warm-ups since they will be owned by the girls. If Girls Soccer is able to raise \$2,000, they will be able to pay for them.
- Ron suggested to tie in the golf tournament and the silent auction/beef and beer. Dave and Mike will look into it. They will present more information at the next meeting.
- Orange shorts – good quality Under Armour shorts were bought by the Football team, but the team did not want them. Docia asked if any of the other sports teams would like to purchase them. Ideas were to have a “T” put on them, etc. They were offered to Dave and Mike. Docia also suggested they be part of a spirit pack to sell to the players along with a T-shirt.

NEW BUSINESS

- Dave and Mike announced that on 11/20 from 6-8pm, they are organizing a David LeBrun Memorial event. This evening will include an Alumni basketball game and a faculty vs. student game as well. TAB will have concessions at this event. There will be raffles and food sales. All funds raised will be deposited into the LeBrun Memorial Fund. Mrs. LeBrun wants all the money raised to go toward the dugout being built in David's memory. Docia attended the Board of Education meeting where they discussed cost, contractors and bids for this project. Timeline is early March. TAB was asked to donate food for concessions. The golf tournament fundraiser will be in Spring. Ron suggested a separate account for the dugout donations. Docia will speak to Angela about setting this up.
- Parents complained about the football team drink container, since the boys were drinking directly from the spout. JV and Varsity both bought new pressurized containers to prevent this.

- Winter Concessions – for Girls and Boys basketball, concessions will be handles the same as last year – they will run their own table. Lisa stated that Wrestling will do the same. Discussed what to do with the cash after the game.
- Armstrong will be handing out “nerf-type” footballs at the Homecoming game. Mr. Larson needs to be consulted about this. It was suggested that the footballs be handed out as people leave after the game. Joe feels that Mr. Larson will not want the footballs handed out before the game, and there may be a clean up issue.
- Docia announced that she needs to delegate some of the things she has been doing for TAB. They are:
 - Order, pick up, and inventory of spirit wear (she has someone in mind for this)
 - Concession Manager – to maintain order, buying food for Football concession stand – all other sports take care of their own concessions. Maryanne Snyder volunteered to take this on.
- Docia asked Joe if a shed could be purchased to store inventory of sodas and other non-perishables for the concession stand. TAB would purchase the shed. Joe explained that there would be liability issues and new structure permit issues.
- Sharon asked if TAB was interested in purchasing a portable score board. Docia asked for a quote. The score board could be used for several different sports; e.g. Lacrosse, Field Hockey, Soccer and Wrestling. Joe (Athletic Department) will order one in the Spring for the 2010-2011 season.
