TOPIC'S OF DISCUSSION:

- Treasurer's Report – Bank balance as of 8/18/08 \$11,188.80 {Pending Bal: \$8,281.78}
- Requests: Cross Country requested new uniforms and they submitted the paperwork and are doing/have done a fundraiser already. Group Vote: YES  
Cheerleading also requested new pompoms and cheerleading mats. They submitted the paperwork and did a fundraiser to bring in their portion plus funds. Group Vote: YES It was also suggested that basketball get new uniforms if nothing else definitely new shorts. At this time, they don't have a basketball coach but Joe will look into this.
- Ted Reichenbach came to the meeting as our guest speaker to inform us about the new sound system that the boosters have been trying to purchase for several years now. Looks like it has been narrowed down. Group Vote: YES The cost will be around \$4,200 Ted will be installing it and hopefully will be ordered by Monday. This will benefit the whole school during band festivals, games, and of course graduation!
- Yearbook: This committee would like to know if would like to place an ad in the yearbook. We questioned where the money goes for the yearbook ad. Apparently, the more ad's the yearbook gets the less the expense it would be for the student at time of purchase. Last year the boosters did a 1/8 page ad. It will be put out for an e-mail vote later this week.
- Boosters Fundraiser: Beef and Beer fundraiser. The Ed Walls building in the Fair Hill grounds will be used. They have raised the price to \$700 but you do rent it for the whole weekend. We can do B.Y.O.B. We are looking to do a silent auction also. It only costs \$10 to hold so we are going to reserve it for the 21<sup>st</sup> in February for this event. Looking for volunteers to chair different committees on this fundraiser. Please contact Docia or Lisa if interested. **WE NEED VOLUNTEERS TO MAKE THIS A SUCCESS.**
- 5K RUN Fundraiser: Tonya Robinson offered to call the people from last year who do this and get the particulars. We need to book this at least 6 months in advance. Should be a great fundraiser for the spring and involve ALL SPORTS to participate!
- OCTOBER 3: Please remember this is one of our biggest game of the year against Elkton. We welcome all volunteers.
- Spirit Wear: has been doing great as far as sales! We re-ordered some more Tye dye shirts and also more sweatpants. A new fall hoodie will be available for the 10/3/08 game!
